

# Student credit card upgrade opt out request

PLEASE COMPLETE IN BLOCK CAPITALS

Please complete all sections below - incomplete forms cannot be processed and will be returned.

To opt out from Student credit card upgrade, please fill out the request and email it to [optoutrequests@boi.com](mailto:optoutrequests@boi.com) with a scan of your Student ID card or a letter from your college. If you expect to commence your studies later in the year and you are unable to obtain a Student ID or a letter from your college now, you can still request to opt out from the upgrade and provide the documents later in the year. Please note that if we do not receive the documents by the end of the year, we will upgrade the card in January next year.
