Foreign Bank Charges:

For all credit transfer payments to the UK and countries in the EEA², charges can only be shared. This means the payer pays the Bank of Ireland charges and the payee (recipient) pays their own bank charges.

When you make a payment to a country that is outside the UK or the EEA (a) through Business Online or (b) with the assistance of BOI branch staff, you can choose to pay the payee's (recipient's) own bank charges. If you wish to pay the payee's charges BOI will charge you €7 towards them when you make the payment. The payee's bank will ask BOI to pay the rest of the payee's charge if it is more than €7; and BOI will then take the rest of the payee's bank's charge from your account.

It can take foreign banks four weeks and sometimes much longer (e.g. up to 3 months) to ask BOI for payment of the rest of the payee's charge.

You cannot pay the payee's (recipient's) own bank charges when (a) you make a payment in any way to the UK or a country in the EEA or (b) when you make a payment to a country outside the UK and EEA using Banking 365.

Section 5 - Foreign Exchange Spreads and Margins

Foreign Exchange rates are based on current market rates. The exchange rates we use for one product can be different to the exchange rates we use for another one. For example, the exchange rate we use when we sell you foreign currency can differ from the exchange rate we use for your cross border payments. Daily rates for foreign currency transactions are available on www.bankofireland.com and rates for larger value transactions are available on request.

Foreign Exchange Spreads (excluding Foreign Currency Cash Lodgement or Cash withdrawal Services)

Sterling (GBP) & US Dollars (USD)	
Transactions up to and including €10,000	4% spread (maximum of 2.5% margin either side)
From €10,000 up to and including €70,000	3.5% spread (maximum of 2.00% margin either side)
Transactions over €70,000 ^{3,4}	Negotiated rates (maximum of 2% margin either side) ³
All other Currencies	
Transactions up to and including €10,000	7% spread (maximum of 4% margin either side)
From €10,000 up to and including €70,000	6.5% spread (maximum of 3.5% margin either side)
Transactions over €70,000 ^{3,4}	Negotiated rates (maximum of 3.5% margin either side) ³

The above applies to buy/sell foreign exchange rates used for transactions such as currency cheques, currency drafts, credit transfer by Interpayplus, InterPayexpress, Inward cross border payments, currency account and Trade Finance products. Customers who contact us directly with a Request for Quote (RFQ) either by platform or telephone are treated as negotiated transactions and quotes and rates will be based on live market rates.

Foreign Currency Cash Lodgement or Cash Withdrawal Services

Sterling (GBP) & US Dollars (USD)	
Transactions up to and including €1,250	5% spread (Maximum of 3% margin either side)
From €1,250 up to and including €20,000 ³	3% spread (Maximum of 1.5% margin either side) ⁴
All other Currencies	
Transactions up to and including €1,250	8% spread (Maximum of 4.25% margin either side)
From €1,250 up to and including €20,000 ³	6% spread (Maximum of 3.25% margin either side) ⁴

³ Lower individually negotiated rates offered on foreign exchange transactions over €70,000 and foreign currency cash lodgement or cash withdrawal over €20,000.

⁴ In many instances lower charges may apply than the maximum quoted.

Section 6 - General & Miscellaneous

Stop Payment	€12.70 per item
Unpaid Item (Cheque)	€8.89 per cheque
Character Enquiry	€19.05 per enquiry
Unusual & costly transactions	€33.00 per hour
Breakage fee on fixed term contracts (e.g. deposits/loans)	€63.49 plus relevant interest costs

With an unpaid item (cheque) denominated in foreign currency, the exchange rate to be used to re-convert to euro will be the relevant rate applicable at the time that the unpaid item is returned and processed by the Bank. This may differ from the exchange rate applying on the original purchase of the cheque.

In all cases out-of-pocket expenses/foreign bank charges are additional to the charges mentioned in this leaflet. Details of out-of-pocket expenses are available on request. The charge for unusual and costly transactions may also apply.

Direct Exchange of Foreign Currency

For over the counter exchanges of an amount of currency in one form for the same currency in another form (e.g. exchanging US Dollar Cash for a US Dollar draft) only the larger of the two transaction charges, which normally arise, will apply. Both purchase and sale transactions are conducted at the mid foreign exchange rates. This applies to amounts up to €650 (equivalent) per day and does not include ATM/card transactions.

A leaflet detailing fees and charges for accounts held with Bank of Ireland Global Markets is available on request from Global Markets, Customer Service Unit.
